The DEBO Step is easy to install without interfering with the trailer connections for most vehicles. It can be ready for use in less than 5 minutes.

Simply place The DEBO Step over the hitch frame cross bar. Insert the included bolt and tighten the nut. The DEBO Step is now ready for use!

1. Welded steel construction
2. E-coated for durability
3. Molded rubber, treaded step pad for a non-slip surface.
4. Plastic latch knob has metal insert and is safety yellow to add color.
