

**For work and play we have it all!**

**GO AHEAD  
Shake it up!**

All components of the BEDNET® have been designed to help protect the finish of the pick-up truck. The BEDNET® accentuates the style of any pick-up truck. Preventing damage to the truck, its cargo and insuring the safety of fellow motorists is always a challenge to the truck owner. If used properly, the BEDNET Cargo Restraint System can make our roads and highways safer.

**Corner Strap Assembly**

- Integrated design adjusts to fit any size cargo. Simply pull the adjust strap to tighten the "Quick Tite" buckle and lift tab to release. Secure loose ends with the attached "tail keeper".

**Patented "Quick Tite" Buckle**

- Unique one-piece design contains no moving parts. Made of super super tough Nylon to help protect your truck's finish.

**Webbing**

- 2" high strength polyester webbing. Each sew pattern is heavy duty "Box X" using industrial strength polyester thread.

**Anchor Hooks**

- High carbon steel hooks are coated with durable polyethylene to minimize rusting and damage to your truck.

**Bednet Tool Bag**

- Every Bednet® Cargo Restraint System comes with a durable and useful Wide mouth Tool Bag!
