MIZ-TGL001

CELEBRATING 30 YEARS

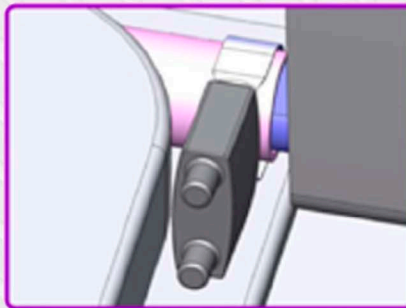

MIZ Tail Gate security lock is a unique patented design that secures the physical tailgate to the truck body. The Tailgator is easily installed in just minutes and work on all removable tailgate truck models from Ford, GM, Chevrolet, Dodge, Toyota, Nissan, and many more.

Installation of the Tailgator lock on a truck tailgate

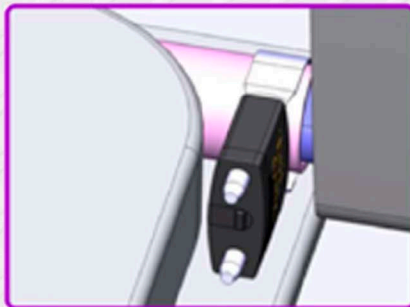

1 Open truck tailgate to proper angle for removal

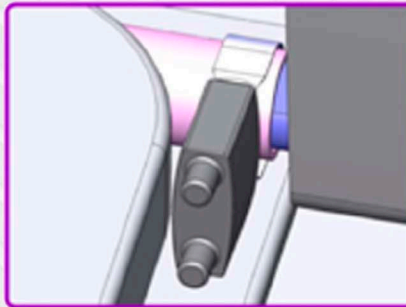

2 Remove tailgate from post to begin placing Tailgator lock on the tailgate

3 Feed stainless shackle around post and put tailgate back into place

4 Press lock body onto shackle as snugly as possible

5 Put the waterproof cover into the lock body

6 Close tailgate, lock will not interfere with normal operation of tailgate
